Sir,

With reference to Government Proceedings No. 13469-80 dated 9th 22153-92
February 1893, I have the honor to bring to notice that very often the members of the Municipal Boards, where there are no Public Works officers whose head quarters is the Municipal town, experience great difficulty (in not being able to obtain an expression of professional opinion with regard to works that may be proposed

In Kadur, Tarikere and Koppa there are Sub Division

Police

Public Works officers whose head quarters are at the Taluk. Both in the Kadur — and Tarikere taluks there are Municipalities not only at taluk head — quarters but also at Birur and — Ajjampur respectively. At Koppa there is no municipality, but there is one at Yedhalli within the Sub divisional jurisdiction. I would under the circumstances recommend that the Public Works Sub divisional officers of the Kadur, Tarikere and Koppa jurisdictions may be constituted ex-officio members of the Municipalities of the towns lying within their jurisdiction.

As Public Works officers are constantly moving about it would be no inconvenience to them to attend the meetings as often as they may find it possible.

With reference to

under

under the Proceedings

of Government No 13469 LF 153-92 dated 9th February 1893, the Senior Dowr. officer is already an Ex officio member of the Municipal Town in which he has his head quarters The Govt has in proceedings No 13322-31 dated 12th February 1894 ruled that the words "Senior Dowr. officer" do not include Taluk Maistries It follows from this that all officers above the Grade of Taluk Maistries; Such as Sub-overseers, overseers Supervisors &c are entitled to be Ex officio Members.

question at issue is
whether such officers
may also be appointed
ex-officio members
of Municipalities in

they are within their

The undersigned is
of opinion that such
officers would be of
great use to such
Municipalities and
may therefore be

Sir,

Adverting to the Government Proceedings No. 20609 / 27.15-3.92 of the 16th ultimo, requesting opinion in regard to the proposal of the Deputy Commissioner of Kadur to appoint the Public Works Department Sub Division officers as members of the Municipalities within their ranges, I have the honor to submit that it will be a distinct advantage if the Sub Division officers of the Public Works Department could sit on these Boards as Ex officio members. But in places other than their Head Quarters, their attendance seems to me to involve sacrifice of their time and attention unadvisable to comparatively more important works. The minor Municipalities do not, as a rule, spend large sums and they carry out but the simplest

works of drainage and conservancy. I therefore consider that if they are permitted, Ex officio, to attend meetings to which they may be invited all purposes are answered. The Vice-Presidents may be instructed to apply to them & invite their attendance whenever any question of sufficient importance is considered in the Board. I give the case of Hoskote sub division as an example of the practical difficulty involved. This Sub Division comprises 3 Taluks of Bangalore, Anekal and Hoskote. The office is located in Bangalore. In Bangalore Taluk there are two minor Municipalities, in Anekal 3, and in Hoskote 2. One officer will have to attend to seven meetings in different places. This must seriously interfere with his more important work and the

necessity is not so obvious.

ORDER THEREON.—Under Government Proceedings, noted in the margin, all senior Public Works Department Officers above the grade of Taluk Mestris are *ex-officio* members of Municipalities at their respective head-quarters. In May last the Deputy Commissioner of Kadur brought to the notice of Government that under the existing rules, the Public Works Department subordinates of the Tarikere, Kadur and Koppa Taluks were members of the Tarikere and Kadur towns only, and not of the remaining Municipalities in those Taluks, and recommended that they might profitably attend the meetings also of those Municipalities. The opinions of the Deputy Commissioners of the remaining Districts and the Chief Engineer were invited on the subject and their replies are recorded above.

2. No. 13322-31—L. F. 153-92, dated 12th February 1894.

2. All the officers consulted are unanimously of opinion that Public Works Department Officers may be made *ex officio* members of the Municipalities within their respective ranges. But the Deputy Commissioner of Kolar considers that, in the case of non-resident officers, there would be no advantage gained as they would not be in a position to give professional advice in time for the benefit of the Municipality, nor would it be convenient for them to attend the monthly meetings. The Deputy Commissioner of Bangalore is of opinion that their attendance at meetings of Municipalities away from their head-quarters would involve a sacrifice of their time and attention now devoted to comparatively more important work, and suggests that they may be required to attend meetings whenever questions requiring their help and advice are under discussion. Further the Deputy Commissioner of Chitaldrug thinks that regular attendance at the monthly meetings may be inconvenient in their case and that their absence from meetings should be more leniently dealt with than in the case of other officers whose head-quarters are Municipal towns. It is observed that the present rule under which a member who absents himself from 3 consecutive meetings forfeits his seat on the Board, does not apply to *ex-officio* members.

3. The Government are accordingly pleased to approve of the proposal to appoint the Public Works Department Officers as *ex-officio* members of Municipalities not only at their head-quarters but also in their respective ranges, but whenever the urgency of departmental work prevents them from attending at any meeting, they should forward an explanation of the cause of their absence to the Municipality concerned.
